Secretary:

Motion to approve February, 2021 Minutes. Motion passed.

**Discussion:** Should Council members be invited to more board monthly meetings? It was decided they will be invited to every 3<sup>rd</sup> meeting. If they want to attend more meetings they can ask to join a particular meeting.

The second issue discussed was whether to modify the current the current restrictions as to the size of group rides. It was decided via motion that we can now increase the maximum limit to up to 12, however the leaders shall have the discretion to reduce that number to a level they feel comfortable.

**Day trips-** A recurring issue was discussed as to how to encourage more leaders to lead more rides. There was no resolution. Next, it was noted that due to the snowy weather conditions in February many rides were forced to be cancelled.

A proposal was made for new jerseys for the leaders. The front of the new jerseys will say "Led 21 in '21. The budget for this proposal was passed for the amount of up to \$1,500.

Steve Lyon ended the meeting by giving a monthly report as to the current financial status of the club
